

Fagan and Floyd

A Biography about Fearless Fagan

But "what can they do with a lion in the army?" "Draft him." "Don't joke, Floyd. I'm serious." "He can be their mascot." "Oh, God, what will they think about you bringing your mother to the base?" "To hell with what they think! The army has ruined my life. I had a hundred thousand dollars in contracts. I was due to perform in London and Germany with Fagan. And now I've got zip."
